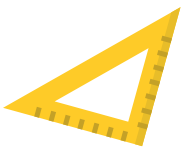
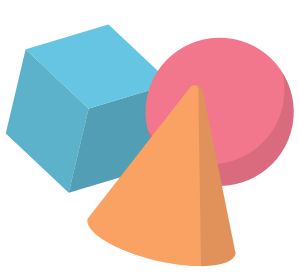
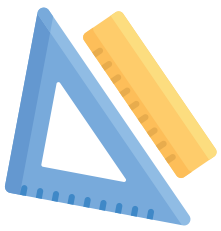
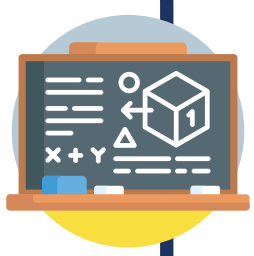
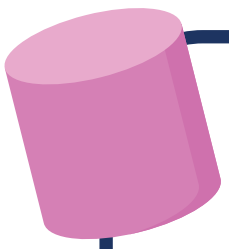
Maths
Curriculum Adventure

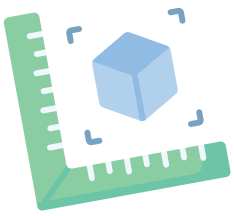












YR11

Right angled triangles
Probability
Multiplicative reasoning
Construction, loci and bearings
Quadratic equations and graphs
Complex perimeter, area and volume
Indices and standard form congruence
Simliarity and vectors further algebra

YR10

Ratio and proportion
Transformations
Graphs
Perimeter area and volume
Averages and range
Angles
Equations, inequalities and sequences
Graphs, tables and charts
Fractions and percentage
Graphs, tables and charts

YR9

Constructing in 2 and 3 dimensions
Reasoning with number
Reasoning with geometry
Reasoning with proportion
Representations
Number
Algebra

YR8

Reasoning with algebra
Reasoning with data
Developing geometry
Developing number
Alegrabic techniques
Representations
Proportional reasoning

YR7

Algebraic thinking
Place value and proportion
Applications of number
Directed number
Fractional thinking
Lines and angles
Reasoning with number
