Dear Parent/Carer,

At Da Vinci Academy we want to give every student the opportunity to head into the summer examination series with confidence. Therefore, as part of our preparations we are offering our students the opportunity to attend a variety of subject workshops during the Easter holidays.

Attendance to the workshops is voluntary but we recommend that students make the most of the support on offer by our specialist teaching staff.

Students with the intention to attend should sign up during tutor time, this will help us to ensure we have enough staff available. This is a non-uniform event and students may wish to bring a snack and drink if they are attending two sessions on the same day. A signing in register will be present in the Academy atrium for fire safety records and to awarded achievement points that can be used towards "Passport to Prom".
