Notices

As we approach the Summer Holidays, we are aware that many students, and parents, will be anxious about the change of routine.

In assembly next week we will be delivering a Summer Safety presentation to all year groups. Some of the information shared is included in this bulletin.

Also included in this bulletin is a range of links and website where you and your child can seek support during the break from school.

We would like to take this opportunity to thank you for your support this academic year. We look forward to working with you again when we return in September.

Kindest Regards,

The Davinci Academy Safeguarding Team
