

## DA VINCI ACADEMY: PROVIDER ACCESS POLICY

### Introduction

This policy statement sets out the school arrangements for managing the access to providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

### Student Entitlement

- All students in Years 8 – 11 are entitled to:
- Find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through events, assemblies, group discussions and taster events
- Understand how to make applications for the full range of academic and technical courses

### Management of provider access requirements

#### Procedure

A provider wishing to request access should contact the Headteacher, Mrs Katie Roberts.

Telephone: 01332 831515

Email: [office@davinciacademy.co.uk](mailto:office@davinciacademy.co.uk)

#### Opportunities for access

A number of events integrated into the schools' careers programme will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers; please speak to our career's leader Mr David Grimmett to identify the most suitable opportunity for you.

#### Premises and facilities

The school will provide suitable rooms and resources, as far as possible, as discussed and agreed in advance of the visit with the Headteacher.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Library which is managed by the administrator responsible. The Careers Library is available to all students at lunch time. Our school is happy to receive and distribute materials from providers.
