# Policy statement on provider access

## Da Vinci LEAD Academy Provider Access Policy

### 1 Introduction

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997. It is part of a wider strategy for careers at Da Vinci LEAD Academy

### 2 Pupil entitlement

All pupils in Years 8 to 11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- to understand how to make applications for the full range of academic and technical courses.

**For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key phase' (Years 8 to 9) and two encounters for pupils during the 'second key phase' (Years 10 to 11).**

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers.
- explain what career routes those options could lead to.
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider).
- answer questions from pupils.

### 3 Meaningful provider encounters

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the 'making it meaningful checklist' (see appendix 1).

Meaningful online engagement is also an option. At Da Vinci LEAD Academy we are open to providers that are able to provide live online engagement with our pupils.

## 8 Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and pupils, as appropriate to the activity. The vast majority of rooms are fitted with computers, projectors and digital screens. Computer suites can be arranged with prior notice.

The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the career's leader or a member of their team.

Before any visit, the careers leader will work closely with any provider, to make any suitable arrangements for the audience, including any necessary adaptations for those pupils who may have special educational needs and/or disabilities.

## 9 Live or visual encounters

Meaningful online engagement is also an option, and Da Vinci LEAD Academy is open to providers that can provide live online engagement with our pupils. Providers are welcome to leave a copy of their prospectus or other relevant course literature at the careers library, which is managed by the school librarian. The careers library is available to all pupils at lunch and break times.

## 10 Management

The careers leader is responsible to the relevant senior leadership team line manager for coordinating all provider access requests in a timely and effective manner.

## **11 Parents and carers**
