SMART and READY - Uniform and Equipment: Information and Reminders

Dear Parent/ Carer,

At Da Vinci Academy, we are on a relentless drive for all of our students to be exceptional. We believe that every minute of every lesson counts on this journey, and that teachers who have spent time preparing high-quality lessons and resources should be able to deliver lessons in a disruption-free environment.

We have high standards for all our students, and our expectation is that they are Ready, Respectful and Responsible in order for us to support them in our relentless drive to be exceptional.

All students are expected to arrive at school wearing the correct uniform and with the necessary equipment for the day. This will be checked in line-up and during morning registration. The equipment students must bring to school every day is a black pen, purple pen, pencil and ruler. Key Stage 4 students are also required to have a scientific calculator. There is an equipment shop in the dining hall every morning before school, where a pencil case with equipment inside can be purchased for £1. Equipment can also be purchased on the 'School Gateway' app.

Our most recent uniform policy can be found by following the link below:

<https://www.davinciacademy.co.uk/wp-content/uploads/2023/11/Uniform-Policy-November-2023.pdf>.

We would like to remind you that blazers, tailored trousers and leather/leather-like shoes are a compulsory part of our school uniform. Additionally, one pair of stud earrings and a watch are the only items of jewellery permitted.

We thank you for your continued support and look forward to seeing students 'Smart and Ready' for the school day tomorrow.

Yours faithfully,

Mrs. E. Culverwell
Duputy Headteacher
Behaviour and Attitudes

Mr. R. Wall
Assistant Headteacher
Behaviour and Attitudes
