

Tuesday 23rd April 2024

Dear Parent(s) / Carer(s),

Year 10 "Exam Ready" Evening – Thursday 9th May 6-7pm

As you will be aware, Year 10 mock examinations commence on Monday 17th June and will last approximately two weeks. These examinations will reflect your child's current performance in each GCSE subject and will assist in determining their progress towards their target grades. Whilst the regular monitoring reports are useful in identifying areas of strength and weakness, the mock examinations are a rigorous checkpoint in measuring students' progress in preparation for their GCSEs.

To help prepare students for these important examinations there will be a Year 10 "Exam Ready" Evening on Thursday 9th May. The evening is for students as well as parents/carers and we will be giving guidance on revision techniques, as well as information regarding key dates for exams and advice on how you can best support your child in their revision. You will be able to speak to senior members of staff regarding any aspect of GCSE study; it is our intention to ensure that you are well informed regarding the expectations over these two weeks. In addition, we will share information regarding Post-16 choices as we recommend that students begin to explore the choices available to them during Year 10.

The presentation will last approximately one hour (6-7pm) and will take place in the Main Hall. We will be providing complimentary refreshments: soft drinks and food (chips and either beans/peas/curry sauce) on the evening. If you intend to join us on the evening, could you please confirm your attendance by completing the short form via this [link](#) by 9am on Tuesday 7th May.

I very much look forward to seeing you there.

Yours sincerely,

Miss J Scattergood

Headteacher
